VOL. XXXIII.

STANFORD, KY., FRIDAY, JUNE 30, 1905.

NO. 35.

## MIDDLEBURG.

We have had excessive rains and considerable damage was done to wheat, while corn and meadows were greatly helped.

Mr. Alex Hicks, a prominent citizen of this place, and Miss Louise Williams were married at Danville. The groom is a highly respected citizen and his bride is a splendid woman of Burgin.

Prof. J. S. Lawhorn, of Middleburg Normal College, is preparing for the erection of a dormitory in connection with the above popular institution of learning. Work will begin on the building within the next few weeks and it will be hurried to completion so as to be in readiness for the accommodation of the fall students from a distance.

Mrs. Lillie Stepp, of Kidd's Store, was with her sister, Mrs. Murphy Clements, this week. Miss Jessie Bryant, of Nashville, is with her mother, Mrs. Anna Bryant. Miss Ruth Tifford, of Liberty, daughter of Judge J. M. Tifford, and a popular young school teacher, has accepted a position with the Drake Business College at Jersey City, N. J., and has entered upon her duties at that place. The above institution is one of the most prominent of the kind in the East and the position Miss Tifford holds is a responsible and lucrative one.

F. & A. M. Middleburg Lodge U. D., has just been instituted here and the order will meet regularly in their spacious hall over the Farmers Deposit Bank. The Masonic fraternity had a lodge here for a score or more of years, or until a few years ago, when the order moved to Liberty on account of losing their hall at the college. At present the lodge numbers 16 members. The officers are: J. T. Wesley, W. M.; J. W. Carson, S. M.; Q. R. Jones, J. W.; C. L. Pruitt, secretary; E. J. Godbey, treasurer; Stuben Godbey, S. D.; Geo. Staton, J. D.; Robert Lanham, S. V. F.

## HUBBLE.

All of the wheat in this community has at last been harvested and is in fine shape.

Elder F. M. Tindler has closed a successful meeting at Hustonville and will fill his pulpit here Sunday evening at 7 o'clock instead of three.

R. G. Bratton sold some corn to Lancaster parties at \$2.85. D. N. Pruitt received a lot of lambs here last week at 6c. Joab Rigney is up from Casey with some cattle.

Dr. W. F. Hinkle and handsome wife have returned from a visit to Tennessee. His many friends hope he will locate here. Mr. Hugh Huffman and wife, who are more than 85 years old, are visiting their daughter, Mrs. J. W. Anderson.

John Robinson had a hog lost for several weeks, and after seeking everywhere and inquiring as to its whereabouts, in passing through the feed yard one day, he heard something under the trough, which proved to be the lost hog, almost dead from confinement.

Dock Weaver is at home from State College. W. J. Spoonamore and wife have returned from San Antonio, Tex., where they spent several months in search of health for the former. We are glad to note that he is greatly improved. Mrs. Janet Campbell, who has been visiting her brother, James H. McKechnie, has returned to Somerset. Mrs. J. A. Rice, of Marksburg, entertained Friday evening in honor of Misses Sink and Roberts, who are guests of Miss Ethel Carman. Mr. and Mrs. E. B. Miller went to Cincinnati Sunday to see their son, Frank.

## Dying of Famine

Is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers, of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at G. L. Penny's, Stanford, and Lyne Bros., Crab Orchard, drug stores. Price 50c and \$1 a bottle. Trial bottle free.

M. O. Winfrey, of Middleboro, was elected president of the Educational Improvement Commission, just formed at Mammoth Cave and E. R. Jones, of Franklin county, was elected treasurer. The selection of a secretary was left to the Executive Committee, and no one has been decided upon as yet.

Man's ne'er contented here below

Nor satisfied, I trow;

We used to curse the sleet and snow,

But how we'd love 'em now.

A Fulton undertaker advertises that he has "white and black hearses for both white and colored people."

## HUSTONVILLE.

Prof. Rice S. Rice Eubank, Miss Kate Bogle and Miss Julia Stagg, of this place, together with quite a number of friends from Liberty attended the Kentucky Educational Association at Mammoth Cave. They report that the Cave Hotel could accommodate about 350 people while the crowd in attendance numbered about 1,200. Sleeping room and something to eat was at all times a thing much sought but rarely found. There were possibly 300 teachers present but the general public took advantage of excursion rates and hence the overflow of guests at the hotel. This was one of the most important educational meetings Kentucky has had since the 50s, when our public school system was first originated. Besides a very helpful general association, there was organized what is to be known as "The Educational Improvement League" with Dr. Hume, of Frankfort, as chairman, and Prof. M. O. Winfrey was made chairman of the executive committee of the league. The purpose of this league is to organize and prosecute a vigorous campaign in every county of the State, to arouse the citizenship to the needs of local taxation for the organization and maintenance of graded schools in every town and village and to supplement the school fund to such an extent as to enable every district to have from eight to 10 months' school term. Besides the graded and district school movement it is proposed to awaken an interest in every section of the State in regard to the establishment by the State of three State Normal Schools for the training of teachers. A large campaign fund was raised to defray general expenses of the league and to pay traveling expenses of speakers for the work throughout the State. Verily the fight for better education in Kentucky is now on.

## Resolutions of Respect.

CRAB ORCHARD LODGE NO. 636, F. AND A. M.—Whereas our Heavenly Father in His infinite wisdom has again visited our lodge by death in so short a time from the last call, and again so suddenly that it is well our trust and faith is in the living God. This should remind us more than ever of the certainty of death and the importance of having the pass word to the Celestial Lodge above, for who knows at which door next the grim reaper will knock and how soon and in what way. Brethren the call from labor to refreshment in the great beyond this time is our past Master and worthy brother, Geo. W. DeBord, who departed this life on June 20th, in his 67th year, while on a visit to Louisville to attend the Confederate reunion, of which he was a faithful soldier as he was also a faithful Mason and known by all men as a faithful citizen, and we trust our Lord will say to him: "On earth you were faithful unto death." Therefore be it resolved by Crab Orchard Lodge No. 636 in lodge assembled, that by the call of Brother DeBord the fraternity here has lost a faithful member, but we believe to his gain; his family a faithful husband and father, the community an honored citizen whose life was an open book for truth, honesty and fair dealings.

Be it further resolved that out of respect to his memory we wear the badge of mourning for 30 days and that these resolutions be printed in the Masonic Home Journal, our county paper, the INTERIOR JOURNAL, a copy be spread on the record book and last but not least a copy be sent to the family with our heartfelt sympathy.

President Roosevelt eulogizes Commissioner Garfield for his great services in investigations of the trusts. Of these services it is enough to say that the Garfield report on the beef trust was an object of general ridicule as an absurd document abounding in errors of fact and false conclusions. He could not have made a more satisfactory report to it had he been in the employ of the trust instead of the Government.

A NORTH DAKOTA woman has just surprised her husband and the natives by giving birth to four babies—three girls and a boy—all of whom were alive and crying lustily at last accounts. The little ones are perfectly formed and normal in every particular, and there is no reason to suppose their chance of reaching maturity is not equal to that of any youngster. President Roosevelt ought to be delighted enough to send the mother a big present when he hears the news.

THE more progressive of the people of Paducah wish to stop the practice of the citizens in using the streets as a cow pasture, and secured an ordinance forbidding stock running at large. It has raised a big row and rumpus though and cow owners have raised nearly \$300 to fight the ordinance. The day has passed for making cow pastures of streets and the fossils who continue to advocate it ought to remove beyond the limits.

GERONIMO, the Indian chief, who has been a prisoner for 17 years, has appealed to President Roosevelt for liberty, which, it is said, will be granted. The confinement of the old fellow, who is past 83 years of age, can further no good purposes. It is pitiful to see him paraded around at all the expositions as a Government exhibit, and a very decided object lesson of cruelty to animals.

JOHN M. PATTERSON, of Clermont county, was nominated for governor by the Ohio democratic convention. The platform declares for the adoption of the principle of the referendum in certain matters of legislation. References to William J. Bryan by the chairman and other speakers were received with great applause. The resignation of John R. McLean as National committeeman was received and accepted.

A CALIFORNIA legislator has introduced a bill requiring a man and woman intending to be married to swear they are not crazy. And an old bachelor suggests that the very desire to marry is prima facie evidence that they are crazy, and to make oath that they are not may subject them to prosecution for perjury.

A TEXAS Negro has been sentenced to imprisonment for 100 years in the penitentiary on an accumulation of charges. He ought to appeal on the grounds prohibiting cruel and inhuman treatment. A life time is long enough for any man to have to stay in prison.

MR. BRYAN says: "If the democratic party expects to elect a president they must do more thinking." Thinking is all right, but it won't count for anything unless you mark under the rooster.

### POLITICAL.

B. Frank Vaughan, of Portsmouth, Va., cast his vote in a primary election and committed suicide.  
Former Speaker D. B. Henderson sustained a slight stroke of paralysis at his home in Iowa and his condition is regarded as serious.

The president was a guest at Harvard University as a member of the class of 1880. It was his special request that he be treated merely as an alumnus instead of president of the United States. The Louisville Herald says that Senator Blackburn says that he will have a walk-over. We don't bet, nor even "lay," as the women do, but we can find a whole regiment of men with "\$15 in their inside pocket, don't you know," who will put it up against half that amount that the Senator doesn't show in the race.—Kentucky State Journal.

Two Democratic conventions were held in Flemingsburg and representative Paul Hedlin and John D. Wyatt were both nominated for Representative. The Wyatt forces withdrew from the convention and held a separate convention when the chair decided to recognize as regular the credentials signed by the precinct chairmen, there being six or eight contests.

Thomas J. Marple celebrated his 98th birthday in Casey.  
Eminence went "dry" by a majority of 167.

The Simpson county grand jury has returned true bills against A. S. Walker, J. A. McGowan, Charles Brevard and J. K. Caldwell, formerly connected with the J. A. McGowan Banking Company, of Franklin, charging them with receiving deposits after they knew the bank was insolvent.

The crew of the Russian battleship Kniaz Potemkin, of the Black Sea fleet, mutinied at Odessa because of bad food and the officers of the ship are reported to have been murdered and thrown overboard. A dispatch received by a London news agency says all the shipping in the harbor was set on fire and the mutinous crew fired a shell into the town, killing four Cosaks and wounding 17. The American Consul at Odessa called to Washington that the situation is serious.

Dr. Matt Pennington, a dentist of London, was brought to Louisville yesterday morning for treatment for spinal trouble, of which he has been a sufferer for the past three months. He was taken to the home of his brother, Dr. P. A. Pennington.—Courier Journal.

The nine-year-old boy, in Russell county, who shot and killed his father, Joseph Lawless, the first day of the Russell circuit court, will, in all probability, not be indicted. His father was a man with bad reputation; had been in a number of shooting scrapes, and at the time the fatal shot was fired the father was whipping his wife, the boy's mother.—Adair News.

The Legislature appropriated \$60,000 for a college home for young women and \$30,000 for drill hall and gymnasium for men. Both buildings are completed and in use. Military tactics and science are fully provided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the College to supply.

Specialists with the necessary number of assistants have charge of each department of natural science. Summer schools are provided for pedagogy, engineering, instruction in science and in arts.

The State College of Kentucky, though bearing hitherto the title of "college," is the only institution in the Commonwealth doing, in any proper sense, university work. The completion of the College home for young women provides facilities for good board and lodging. It is equipped with all modern conveniences, including bath rooms and room for physical culture. It is heated by steam and lighted by electricity.

No other institution in the State offers advantages for education of women at all comparable to those offered by the State College of Kentucky.

For catalogue, method of obtaining appointments, information regarding courses of study, and terms of admission, apply to  
JAS. K. PATTERSON, Ph. D. LL. D., or to D. C. FRAZEE, Business Agent, Lexington, Ky.

Fall Term Begins September 14, 1905.

Patent leather shoes, high and low cuts for men, boys, women and children. Tans in high and low cuts for men, women and children. The old ladies' house or common sense slipper, wide toe and low heels; same in men's. A thing of comfort, if not of beauty. White canvas low shoes in ladies', misses' and children's sizes. Experience, 'tis said, keeps a dear school—the tuition comes high, but the lessons learned therein are never forgotten. The wise, however, are willing to profit by the experience of others. When the painter-man tells you that

is mixed better than he can mix paints by hand, that they are pure, sure and durable, that they give the best possible results in beauty and finish, and will not crack, peel or chalk off—that's the voice of experience—the lesson taught is, "buy Mastic Mixed Paint—save money."

Gentry and others, a ball game etc.

WE are printing the Hustonville Fair catalogue and if we have no bad luck will have them out by the first of the week. It will be a book of 60 or 70 pages and over 500 pounds of paper will have been used in making them. The fair this year promises to be the greatest ever held in the West End capital and if the liberal premium list does not draw horses from all over the State it will be because their owners already have enough of both glory and money. Remember the date, July 26, 27, 28, and make your arrangements to go.

ONE of the charming social events of the season was the alfresco party given last evening by Mr. and Mrs. W. H. Wearen for their nieces Misses Margaret and Nan Denton James, of Lexington, at their home on East Main Street. There were 100 guests present. The lawn was most beautiful, being well lighted with Japanese lanterns and the house was very artistic, pink and white sweet peas being the flower predominant. In the parlor Mr. and Mrs. Wearen and the Misses James received their guests; tall vases of sweet peas were placed on the mantel and piano. The dining room was also in sweet peas, the table being bare except for the lace centerpiece and mats, here smilax was also used in profusion. The colors were in pink and white and the idea was carried out in the ribbons as well as the candles and tapers of the silver candelabra.

In the back parlor where Mrs. W. B. McRoberts, Mrs. W. B. McKinney served frappe, was also a profusion of sweet peas. All during the evening music was dispensed by the following of Stanford's most talented musicians: Misses Mary Higgins, Allie Huffman, Virginia Bourne, Mary McRoberts and Sue Taylor Engleman. The Misses James, the guests of honor, and Miss Mary Farrer, of Virginia, favored the guests with vocal selections and those who assisted in entertaining the large crowd were Mr. and Mrs. W. N. Craig, Misses Essie Burch, Sue Woods and Alvira VanArsdale.

NEBRASKA HORSES.—We have three car loads of grade Percheron mares, two to five-year-olds. They will arrive about July 5th. C. H. Kerr on the J. F. Cook farm.

NEGRO KILLED.—An unknown Negro, aged about 45, was killed at McKinney yesterday morning. He was swinging on to a freight train when a brakeman yelled to him and he either jumped or fell off. He was ground to pieces under the wheels.

OLD POINT COMFORT AND THE SEASHORE.—C. & O. Route Friday, July 14, \$12 from Lexington, Winchester, Mt. Sterling, Morehead. Trains leave Lexington at 11:20 A. M. and 8:45 P. M. Tickets will be good returning until July 23. Engage sleeping car space now. Acquire of your agent for full particulars, or write G. W. Barney, D. P. A., Lexington, Ky.

CIRCUIT COURT.—A. Slaughter and C. R. Slaughter got judgments of \$125 each against the Q. & C. for obstructing their passway. All of yesterday and most of the day before was taken up with the case of B. Reynolds' administrator against the Q. & C. Reynolds was killed while in the employ of the company and his administrators sued for \$30,000. The jury has the case.

FREE BASE BALL GAME.—The Stanford Graded School base ball team has arranged to play a series of games with the "Grafters," a team recently organized of home talent and composed of some of the best material in Central Kentucky. One of the features will be Jim Menefee's base running. The first game will be pulled off at the Graded School grounds at 3:30 this afternoon. Don't fail to be present. It's absolutely free.

THE Kentucky Press Association has very sensibly decided to "cut out" the junketing tour and spend a week, that of July 24-31, at Crab Orchard Springs in rest and recreation. It is a fine old place to while away the time and Mine Host Willis, a capital man to provide the creature comforts. He had however, better send out agents now to engage all the chickens in the surrounding country, for editors, like preachers, love the yellow leg fowl, after it has been properly prepared. The innovation of going to one place and remaining there originated with President Louis Landrum, who we are sure, will deserve and receive the thanks of every member, who appreciates the delights of a watering place and knows the inconveniences of travel.—Kentucky State Journal, Frankfort.

THE Lincoln County Medical Society met in Alcorn's Opera House, Hustonville, with the following members present: Drs. J. T. Wesley, L. F. Hammonds, J. S. Wesley, M. L. Pipes, W. T. Garner, Hugh Reid, J. G. Carpenter, Edwin Alcorn, Bertie Carpenter and J. C. Barker. The society was called to order by the president, Dr. Reid. Dr. Bertie Carpenter was elected secretary in the absence of Dr. Bailey. The minutes of former meetings were read and adopted. Dr. Barker opened the debate. Subject: Pathology and Treatment of Erysipelas. A scientific and lively discussion followed by all members present. Dr. Alcorn read an article on the recent and marvelous discoveries and advances in medicine and surgery, which was joyfully received. Dr. J. G. Carpenter "orated" on the early Diagnosis of Appendicitis, the Early Operation for same—how Surgery saves all cases. Procrastination and complications kill and make a high death rate. The subject was endorsed and discussed freely by members. An interesting case of Osteomyelitis was presented with specimens of tubercular origin and early operation advised. The society was dined at Hotel Weatherford and the cuisine and hospitality so gratefully bestowed excelled Delmonico and Seelbach. It was the unanimous verdict that physicians who do not belong to medical societies and do not attend them are in ruts, rusty and behind the times, and are incompetent as physicians, life insurance or pension examiners and that every meeting of a medical society is a "postgraduate course," which no doctor in practice can afford to miss. A vote of thanks was extended to the Hustonville fraternity. The society before adjourning agreed to meet at the noted health resort, Dripping Springs, on the second Thursday, August 10, and take their families and sojourn there many days.

THE picnic to have been given by Jones & Kelsay at Yosemite July 4, has been postponed on account of the serious illness of Mr. Q. R. Jones' wife.

SHOT.—Mr. C. M. Young, of Highland, received a telephone message last night stating that his son, Elbert Young, had accidentally shot himself in Clinton. The wound is not considered serious.

As trustee of John Bright, Sr., I will at 1 P. M., July 10, 1905, county court day, sell at public outcry in front of the court house door two tracts of knob land on Neal's Creek, each containing 21 acres. The sale will be made subject to contingent right of dower of Mrs. Bright. J. B. Paxton.

DEATHS.—Mrs. Rus Oatts, who was a sister of Mr. Mark Hardin, of this place, died at Monticello last night, aged 52. Besides her husband she is survived by two sons and two daughters. The burial will occur at Monticello to-morrow afternoon. Mr. Hardin left to-day to be present.

LANCASTER people have arranged to have an old-fashioned "rope" fair on Thursday, Friday and Saturday, July 13, 14 and 15. Very liberal premiums are offered, Saxton & Trost's famous Lexington band has been engaged and a good time is in store for all. The fair is not a money making scheme, but simply to get the people together for one more good old time as in days of yore.

COLORADO INSTITUTE.—The Lincoln county colored teachers' institute held its annual session in the colored Baptist church under the efficient management of Prof. F. L. Williams, of Covington, one of the ablest instructors throughout the State. Each session was called to order promptly at 9 A. M., and closed at 3:45 P. M. On Monday morning Supt. Singleton introduced to the institute Prof. Williams, after which devotional exercises were led by the conductor. Election of officers then resulted as follows: Prof. F. L. Williams, Instructor, Dr. W. D. Tardif, Organist, M. E. Jarman, Secretary. Committee on Resolutions: W. D. Tardif, Rebecca Logan, Prof. F. L. Stepp. Committee on Program: Prof. F. L. Williams, Mrs. F. L. Stepp, Prof. R. C. Durham, Miss A. M. Engleman. Election of officers having been completed, Prof. Williams gave an excellent lecture on "What a real teacher should possess," which was highly appreciated by all. Among the worthy visitors of the institute were Hon. F. P. Bobbitt, Crab Orchard, who is quite a noted gentleman of his home. He gave the institute some impressive remarks on "Education." Prof. Collins, of Lexington, gave the institute some ideas of his teachers' corresponding school. We were also glad to have with us Rev. Wallace Fisher, of Danville, also many other appreciated visitors. There will be an open session at the colored Baptist church to-morrow evening by the teachers, at which time their worthy instructor, Prof. F. L. Williams, will lecture. Everybody invited. SECRETARY.

### STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention to his great humanitarian contract.

In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c; regular size, 75c. At all druggists.

**IN MEMORIAM.**

At 12:30 o'clock, June 22, 1905, Mrs.  
Sallie A. Norris was called to her heav-  
enly reward. She was 76 years of age,  
had been a faithful and devoted mem-  
ber of the Forks of Dix River Baptist  
church for 63 years. As long as she  
had strength to go she was faithful in  
the service of her Master, but for sev-  
eral years she had been one of God's  
"shut-ins." She retained a good mem-  
ory and as she grew weaker her faith  
in Christ grew brighter and stronger.

Mrs. Norris was born at Marksbury,  
Garrard county, where she resided un-  
til a few months ago when she came  
with loved ones to Stanford. On Fri-  
day afternoon at 3 o'clock appropriate  
funeral services were conducted by Rev.  
O. M. Huey at her old home church in  
Garrard county, after which her re-  
mains were laid to rest by the dear hus-  
band and little son who had gone on be-  
fore. The floral offerings and sweet  
music were but feeble symbols of the  
scenes which await the noble spirit in  
her Celestial home.

Besides her son-in-law and daughter,  
Mr. and Mrs. Harry Aldridge, she  
leaves four grand children, a grand son  
and daughter-in-law and two sweet lit-  
tle great grand children and a host of  
friends, who deeply feel her loss. She  
was a friend; kind, loving and true, a  
woman of most beautiful christian char-  
acter, accepting with thankful heart the  
sunshine, and bearing patiently the  
burden of a long and useful life. It  
may truly be said of her she always  
thought of others before herself. Her  
devotion to her church, her friends and  
loved ones was beautiful, her deeds of  
kindness live after her, as her light lin-  
gers when the orb of day has disappear-  
ed. In the fullness of her years she  
went to her reward in peace and tran-  
quility of soul, for death had no sting  
and the dark portals of the grave no  
terror. Her life was an open book of  
good deeds, which has been closed here,  
to be opened and read in the courts of  
glory.

Dear one, thou art gone to rest,  
We will not weep for thee;  
For thou art now where off on earth  
Thy spirit longed to be.  
Thou art gone to rest,  
And this shall be our prayer,  
That when we reach our journey's end  
We shall meet thee there.

coal and iron mines in three of the  
most important districts of Russian  
Poland.

**Huge Task.**

It was a huge task to undertake the  
cure of such a bad case of kidney dis-  
ease, as that of C. F. Collier, of  
Cherokee, Ia., but Electric Bitters did  
it. He writes: "My kidneys were so  
far gone, I could not sit on a chair  
without a cushion; and suffered from  
dreadful backache, headache and de-  
pression." In Electric Bitters, how-  
ever, I found a cure, and by them was  
restored to perfect health. I recom-  
mend this great tonic medicine to all  
with weak kidneys, liver or stomach.  
Guaranteed by G. L. Penny, Stanford,  
and Lyne Bros., Crab Orchard, drug-  
gists. Price 50c.

A traveler who passed through a  
small English town noticed a post on  
which was marked the height to which  
the river had risen during a recent  
flood.

"Do you mean to say," he asked a  
native, "that the river rose as high as  
that in 190-?"

"Oh no," replied the native; "but  
the village children used to rub off the  
original mark, so the Mayor ordered it  
to be put higher up, so as to be out of  
their reach.—Harper's Weekly.

from the North (where the supply of timber is fast  
diminishing here, are constantly increasing their  
purchases of timber lands in the South. When the tim-  
ber is removed the land is unequaled for agricul-  
tural purposes. It will produce a bale of cotton to the  
acre or will grow any other kind of crop raised in  
the temperate zone. The soil needs no fertilizers and  
gives a yield which cannot be excelled; taxes are low,  
the title is perfect and the man who buys Delta farm
